Non subject-specific ideas for cooperative ventures:

Academic research on popular culture topics (could fall in a number of disciplines)
Bought but not used
Circulating copies of reference materials
Compile list of institutions with programs in …. [e.g. LPN certification, Communication disorders, Social work, Classical languages, etc.]
Core collection in your discipline – what constitutes that?
Duplication – number of appropriate copies in … discipline
Ebooks – particular subject area, publisher
Interlibrary loan – what kinds of things are not in state that have to be requested from elsewhere?
New fields in discipline
“Not-Bought” from other vendors – specialized disciplinary vendors
Participate in “Not-Bought” based in Gobi2
Print archive, last-copy retention, Library of Record for EJC titles, non-EJC titles, monographs
Promote existing collections
Standing orders
Statewide “big ticket” want list - some institutions may have pockets of money in special disciplines that could purchase
Statewide want list of journals (to add to EJC? P-T-P?)
